

## PTA Meeting Minutes – October 17, 2018

### I. Floris Elementary Principal, Gail Porter's Report

a. Concerns about Boosterthon was raised by some parents due to the school receiving 53% of the donations. Boosterthon is a business and the school did make \$35,300 for technology. As the school purchases these items, information will be sent out to parents. GLE will also be paid for with the funds. The decision for Boosterthon returning next year is up in the air, a possible partnership with the PTA can be discussed. Due to Boosterthon the PTA did not actively promote Friends of Floris, but it is still available if people want to donate.
