**Open to all students
(Grade K-6)**

**March 24, 2022
6:30 PM - 8:00 PM**

***Online registration begins
January 10, 2022.***

Start your experiments now!

All Floris students are welcome to participate in the Science Fair in groups of 2 or more.

Each team must be represented by a parent or coach to register for the Science Fair.

This is a voluntary home-based activity overseen by the parent/coach. All work presented must be the students' work. Parents may act as guides, supervise the investigation but they should let the students do the work.

Most importantly, remember to have fun!!
